

Help the children and vulnerable families from Moldova

The most sensible way to understand is not to think about why, or try to blame someone, including ourselves, but to ask what is the remedy to our situation.

Help alleviate the suffering of children and vulnerable families in Republic of Moldova.

Be a giver in life, and let people see the love and goodness in you. Children and vulnerable people in Moldova need a greater level of help. Many want to live independently for as long as possible, but they don't know how to get proper help to reach the support they need and break the cycle of poverty. We invite you to join us today to create opportunities, alleviate poverty and make a difference.

When you help children who are living in the poorest part of the Europe - Moldova - you're putting hope in their hearts, providing for their physical and educational needs, and much more.

Sponsorship through Tighina Informational Center (in state language: Centrul Informativ Tighina), TIC, is an effective way to help children in need and vulnerable families. The beneficiaries are very thankful, and many pray for their sponsors daily.

TIC is a not-for-profit organization (www.cit.md). Our top priority is to work with children and vulnerable families in order to help them to help themselves to get on in life.

The TIC relies solely on the generosity of individuals, foundations, and corporations. It accepts gifts and cash. Every dollar/euro counts. Through your sponsor, TIC can save lives, improve living condition for vulnerable people in Moldova.

Please, feel to contact us if you can sponsor one or more of our current needs below:
